Comments: 6 years old. Excellent type. Right size. Alert, social. Excellent head. Very good skull. Ears well set close to the head. Nice dark eyes, a little round. Good stop, good nose, complete dentition, scissor bite. Pink spots in dark pigmentation. Excellent topline & underline. Nice strong neck. Very good depth & breadth of the chest and very nice forechest. Very good angulation. Stands correct. Front feet could be a little stronger. Good coat, good markings, markings on front feet could be a little cleaner. Nice colour of the markings. Very good movement with good reach in front and enough drive behind.
